ADAPT TO THE WORLD

3-Pole Travel Adapters

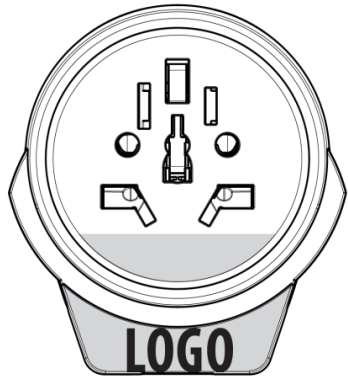

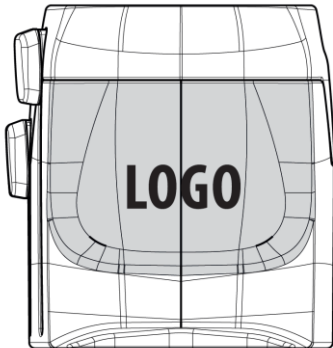

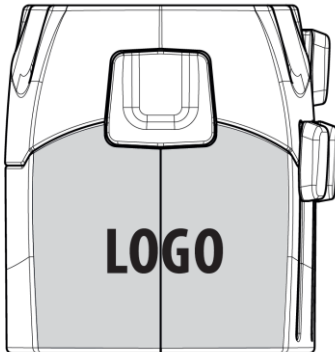

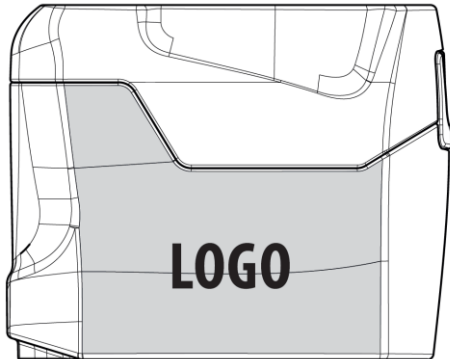

PRO – World & USB

The most powerful 3-pole world travel adapter with USB port for travellers from all over the world!

The innovative PRO – World & USB offers a two-in-one solution: Travellers from all over the world can safely connect their 2- & 3-pole devices, including laptops and travel hairdryers, in more than 205 countries worldwide. In addition, the detachable and interchangeable top provides a powerful USB port. Therefore you are able to charge one USB device while using the adapter with a power plug.

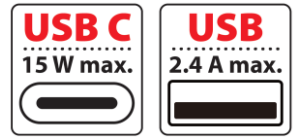

Order Code: SKR-0159
Article Number: 1302535-G

3-Pole Travel Adapters

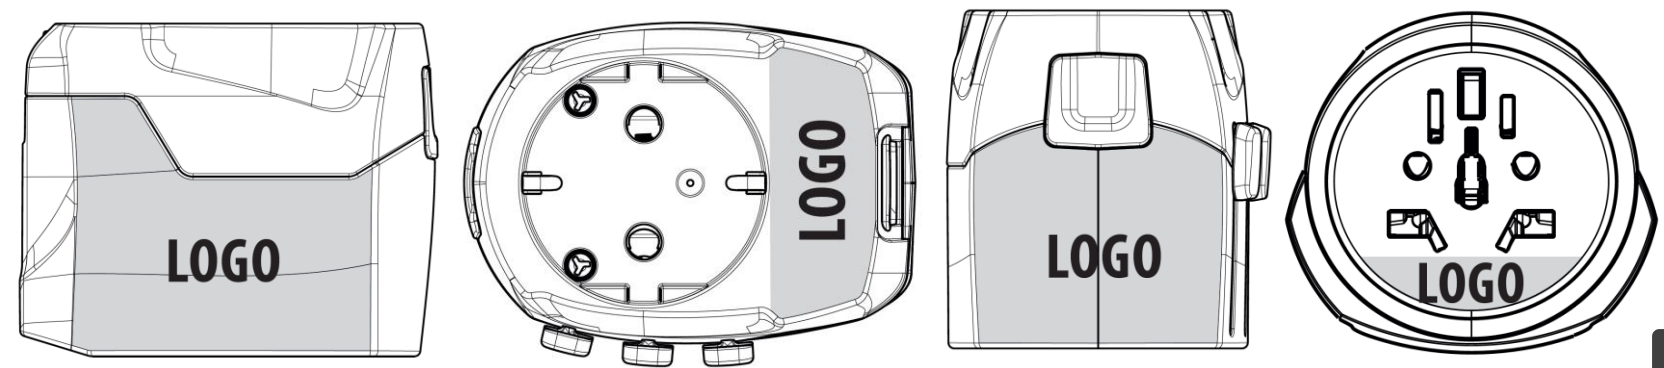

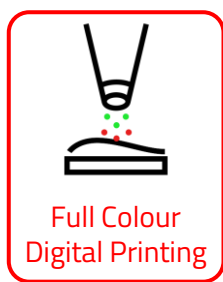

ProLight USB World (A&C)

The compact 3-pole world travel adapter with integrated USB charger (1 x USB C & 1 x USB A)

The PRO Light USB (AC) - World ensures a simple and safe connection of 2- & 3-pole devices from all over the world in more than 100 destinations. It is able to handle up to 1750 W of power, so you can even plug in powerful devices such as laptops or travel hairdryers. Furthermore, the dual USB port provides sufficient energy to charge two USB devices easily (1 x USB C & 1 x USB A device), even if another device is connected via the adapter at the same time.

Order Code: SKR-0166
Article Number: 1.302472-G

MUV USB

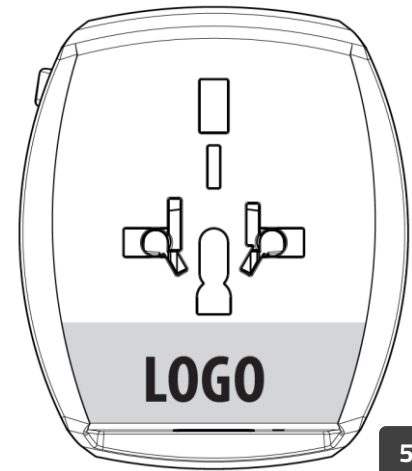

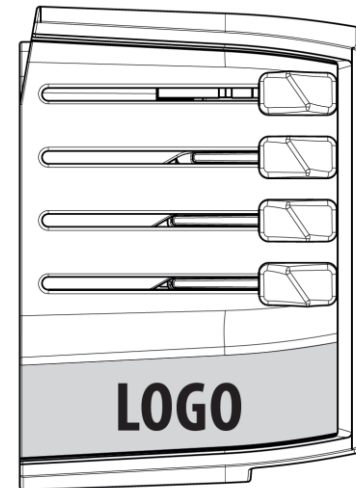

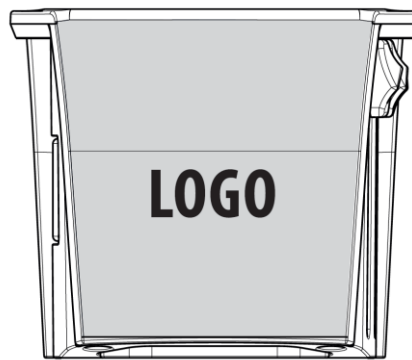

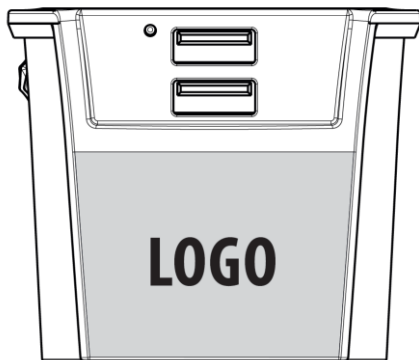

Innovative 2-pole world travel adapter with integrated, dual USB charger

With the World Adapter MUV USB from SKROSS® travellers from all over the world can charge two USB devices and connect one unearthed 2-pole plug simultaneously in more than 220 countries worldwide.
